Annex-XIII: PFSA Policy for Internship of Students

Punjab Forensic Science Agency (PFSA) is state of the art forensic testing facility located in Lahore, Pakistan. To develop interest of students towards forensic science through sharing of knowledge and hands on experience, PFSA will provide internship opportunity to graduation or under graduation students.

1. Applications shall be evaluated based on the field of study and availability of internship opportunity in related department(s) of PFSA based on work load and sufficiency of supplies and consumables.
2. After approval from the director general, PSFA, applicants shall be communicated about acceptance of their application. Internship period shall not exceed 3 months' time.
3. During internship period, all internees would be required to follow all applicable policies and protocols of Punjab Forensic Science Agency and would also be required to sign PFSA's confidentiality declaration.
4. In case of any non-compliance, PFSA has right to dismiss the internship any time.
5. Internees would be required to submit a detailed report by the end of their internship.
